

Hi,

I,ve just arrived home from the Penrith Caravan & Camping Show after purchasing 5lt of your wonderful product. My sister and I went halves in a litre bottle at the Rosehill show to give it a try and found it amazing as it has no smell and even while it's in the toilet it has no smell. It's such and pleasant change from the sickly sweet pong of the last product I used. I honestly can't see how it works but it does, and I tell everyone in our travelling circle about Bio Magic.

Regards

Jane W.
